USFMEP PRESS RELEASE

FOR IMMEDIATE RELEASE

U.N. Event for Montessori School Students

New York, NY, April 15, 2011 – United Federation for Middle East Peace (“USFMEP”) is pleased to announce that it will be hosting students from the world-renowned Montessori schools for a significant Model United Nations event tomorrow. The event will be held from 10:00 am to 1:00 pm at the General Assembly Hall of the U.N. Headquarters.

The acclaimed Montessori schools have been lauded around the globe for their unique and exceptional approach to education. USFMEP will be receiving outstanding middle and high school students and educating them on the United Nations system and its procedures, thereby exposing them to a system which they may one day partake in. This event will gather 1,600 people from countries all around the world including the United States, the United Kingdom, Canada, Norway, China, Japan and more.

USFMEP President, Mrs. Sally Kader, and staff are especially anticipating this important event as it encapsulates the very essence of our organization: education as a means of promoting peace and harmony. President Kader remarked, “the purpose of education is to turn mirrors into windows; we believe that we should educate the youth because they are our future leaders and our hope for a peaceful world.”

USFMEP aims to mobilize ordinary members of society, particularly youth, to contribute to the establishment and preservation of lasting peace. “The goal of this event is to motivate and inspire the leaders of tomorrow to promote peaceful solutions to international problems,” President Kader affirmed. “I am incredibly pleased to be hosting this event and I hope it will be a great experience for all of us.”
